## REFLECTION:

What types of challenges do we face in our lives today and what do we choose to do? And when we face these challenges, do we persevere to do what is right or do we take the easy path out through the back door.

- When faced with situations that make us angry, how often do we stay calm?
- When faced with those who are better and more successful than us, how often do we give in to jealousy?
- When faced with situations to tell the truth, how often have we given way to lying?
- When faced with people in need of our love, our respect and our kindness – our parents, spouses, children, neighbours, orphans, widows, the weak and underprivileged, the lonely, the elderly... how often have we given them our love?
- When faced with situations to speak out for justice and what is right, how often have we raised our voice?
- When faced with the need to be with our children – either for their homework, their play or another need – how often have we given in to our personal pleasures.
- When faced with the need to work hard, how often have we given way to laziness and pushed things away for later?

Those are all situations when we need to go through the narrow door. Do we push our way through the narrow door, or do we give up and take the easy way out? - **Sacred Heart Catholic Tamil Group**
