### A Note from Fr. David:

"A huge thank you to everyone for your continued and generous support of our parish. Your kindness truly helps keep our community and church running smoothly. We are currently updating our records to help the parish benefit from the Charity Tax Rebate Scheme. If you contribute €250 or more in a year (**about** €5 per week), the government can return an extra 31% of that value to the parish-at absolutely no extra cost to you. To help us do this, we kindly ask if you could **write your address and Eircode on the back of your envelope** the next time you drop it in or you can do so privately."

**Why we need this:** Revenue requires us to have a clear record of who the donation came from to process the claim.

**Need your Eircode?** You can quickly find it on the Eircode Finder if you aren't sure of it.

**Your Privacy:** Please rest assured that your details are kept in the **strictest confidence** and are used only for these essential tax purposes.

By providing these small details, you are helping your donation grow even larger to support our parish work. We truly appreciate your help with this
