Visit of the Relics of St Bernadette to Mullingar: 21st – 22nd October

The “humility, devotion, and suffering of Bernadette reminds us that saints are real people who, in their time on earth, faced the vagaries, challenges, and difficulties of life, just like the rest of us. They encountered successes and struggles, experienced moments of joy and sorrow, knew love and knew loss. Holiness is open to every person and each of us has the potential to be Saints in the next world.”
