**Personal Note from Fr. David:**

Mant thanks to all who sympathized and supported both myself and the wider family following on from the recent death of my father Pat Bradley. Your kindness and prayer is very much appreciated. A lot has been happening for me over the past 6 months with change of parish, settling in and setting in place some new programmes and practices. I now hope, over the next couple of weeks, to step back a little, take things easier and try to enjoy a little "me time" to re-charge the batteries and re-energize myself for the run into Christmas. I may come and go a little more over the next few weeks and hopefully with little or no inconvenience to yourselves or parish schedule. So, apologies, any non-essential and non-urgent matters put on hold for now.

**Thanks Fr. David**
