A Word of thanks from Fr. David –

I wish to share my deepest gratitude with everyone who helped make our Easter ceremonies so meaningful this year. While there are too many names to list, please know that your time and kindness truly brought our parish to life during this sacred season.

A special word of praise goes to our Altar Servers. Their moving enactment of the Stations of the Cross was a highlight for us all, and their hard work and enthusiasm are a credit to themselves and their families.

Easter Reflection

Loving Lord, today we remember the veil of darkness transforming to the brightest light.

The most dreadful end becoming the most beautiful beginning.

We remember with trembling hearts the depths of despair fading to reveal hope everlasting.

The curse of death defeated by eternal life.

Today we remember with thankfulness your willingness to be pierced for our sins.

We sing with abounding joy of your miraculous rise, from death's tomb to resplendent life.

Thank you for the promise of heaven and your generous invitation of eternal life for all. **Amen.**
