A Prayer for Students taking Exams (Prayer cards available for students in the Church)

God watch over & sustain our students;

Renew and support them with your strength;

Pour out your spirit of wisdom on them;

Help them to remain calm and to attend carefully to the questions asked;

Help them to think clearly, to remember accurately and to express themselves well.

May they reflect the best of the work they have done and the best of the teaching they have received.

Help them to bring full effort into every exam and every question therein;

May your love be upon them O Lord as they place all their trust in you.

May they know of our support and prayer in their exams & during their exams and throughout their future life stories. **Amen.**
